9 In re the Actor bye laws, it is to be noticed that Rule 3 lays down that importers of dutiable goods should take them to the Octroi Officer This provision certainly cannot be allowed to pass, as it is for the Municipal Council to accept the dutiable articles by the establishment of Octroi and collect them dues The other provisions are copied or adopted from the Octroi bye laws of Bangalore The unlimited irresponsibility of the Municipal Council for any damage to goods left in the Octroi Office (Vide rule 10) cannot be accepted. The Municipal Council should undertake to indemnify the owner when he can prove that the damage is due to the wilful neglect of the warehouse keeper, as under the Common law the master is responsible (Civilly) for the servants' default The Octroi bye-laws are therefore to be returned for revision and resubmission
